MIDWEST DISTRICT ALLIANCE WOMEN

SUMMER 2011

"God uses us to spread His knowledge everywhere like a sweet-smelling perfume." II Cor 2:14b

ALLIANCE WOMEN MINISTRIES *Simply Fragrant*

Pleasing, fragrant aromas attract

Do others want to be around you or me because the fragrance of Christ living in us is so strong they cannot stay away? Bottles of perfume may look lovely but if they just sit on a shelf in your home, others will not enjoy it. Just like perfume out of the bottle, we should be sharing Christ's fragrance with others.

Simply Fragrant, this year's **theme**, emphasizes mentoring and discipleship-instilling in others, through discipleship, a deep and abiding passion for Christ so that they may become more like Him. This spiritual emphasis can be found in the Bible study in the center of the **L2-Leadership Link** that you received in June. *If you did not receive this magazine with the purple perfume bottle on the front, please, contact Vicki*

DuFault, our district secretary at dufault6@gmail.com to make sure we have your correct mailing information.

The study along with a leader's guide and other information on this year's theme and emphasis can be found online at www.alliancewomen.org under Leadership Link or check out www.mwalliancewomen.org.

National Project 2011-12 Equipping Nationals to Reach the Nations

God calls people to do specific jobs in the Kingdom and He promises in His Word that He will go with us and equip us for every good work. As we go, we are spreading His Knowledge everywhere like a sweet-smelling perfume!

To the right is a sampling of where monies raised for the national project will go. These represent areas where we have district Alliance international workers. They may or may not be associated with the project described. If you desire, your team can designate a particular project from this list, from the complete list found online or just designate to the National Project.

More details of individual projects can be found at www.alliancewomen.org Click on the National Project button and then Project Details from the drop down menu.

Be watching your mailbox for a mailing from Jean Bauer, our district treasurer that will include more information.

Have you considered adopting a Third Culture Kid (TCK)? We have a number of our international worker's children waiting for a church to love on them.
